Are you devoted to a spiritual practice such as prayer or meditation? Are you concerned about the environment, social justice, non-violence and personal wellness? If you answered YES to two or more of these questions than you are being called on to become a Sacred Activist—what author Andrew Harvey defines as a humble and divine agent of change to birth a new world of compassion, peace, balance, justice, and harmony. In his new book *The Hope: A Guide To Sacred Activism*, Andrew Harvey sounds a clarion call to all those who care deeply about the future of humanity and of the planet!
